

What is a Harvard small group?

A small group is a gathering of three or more people who meet in a home or church. They hang out, study the Word, support each other and pray together. No matter where you are in life, it is important to have a group of people you get together with on a regular basis to study God's Word, encourage and pray for one another and have fun!

What is our Mission?

We strive to develop a loving and supportive atmosphere with people who desire to grow in their relationship with Jesus Christ.

How can I get more information?

Take a look at the brochure and see which group fits into your schedule best. Give the leaders a call or send them an email to ask for more information. They will be able to answer any questions you may have about their small group.
