### ***An Encounter with the Risen Jesus through the eyes of one of His disciples on the Road to Emmaus***

The content of this monologue comes from Luke 24:13-35. Elements of this monologue are fictitious to provide dramatic effect.

#### **Application:**

- Sometimes we don't recognize Jesus is with us...but we can trust that He always is!
- When we are discouraged we can turn to the Scriptures and see God's plan
- We need to trust what Jesus said. God's plan is sometimes difficult and we don't really understand it, but we can trust that God knows what He is doing.
- Jesus turns our lives from despair to delight!
